

SHOUT IT FROM THE ROOFTOP

Congratulations on your engagement!

Host your special day at the one-of-a-kind Rooftop event space at Steam Plant Restaurant. This architecturally unique venue features two outdoor patios, skylight views, bridal ready room, in-house sound system, and built-in bar. Enjoy a warm weather ceremony on our North Patio, which seats 80 guests. The indoor hall seats 120 guests for a reception and features LED back-lights which can be programmed to match your wedding colors. From catering to clean up, our staff is here to ensure you have the wedding of your dreams!
